

# CHICKASAW STATE FOREST, PARK, & WILDLIFE AREA

## USING CHICKASAW STATE FOREST

**Motor Vehicles:** State Laws apply to all motor vehicles operating on Chickasaw State Forest. Travel is limited to paved roads by licensed vehicles. Gravel roads are open for all motorized vehicles unless closed by the Forestry Division. All dirt roads are closed unless indicated otherwise by the Universal Motorized Vehicle Symbol. To reduce soil erosion, please avoid using dirt roads under wet weather conditions. Unauthorized off road travel is strictly prohibited.

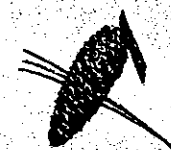

**Fires:** Campfires are permitted on State Forest land. Use only dead wood for fires. Do not cut green trees. All campfire users are subject to State fire laws. Never leave fires unattended and be sure fires are completely out before leaving.

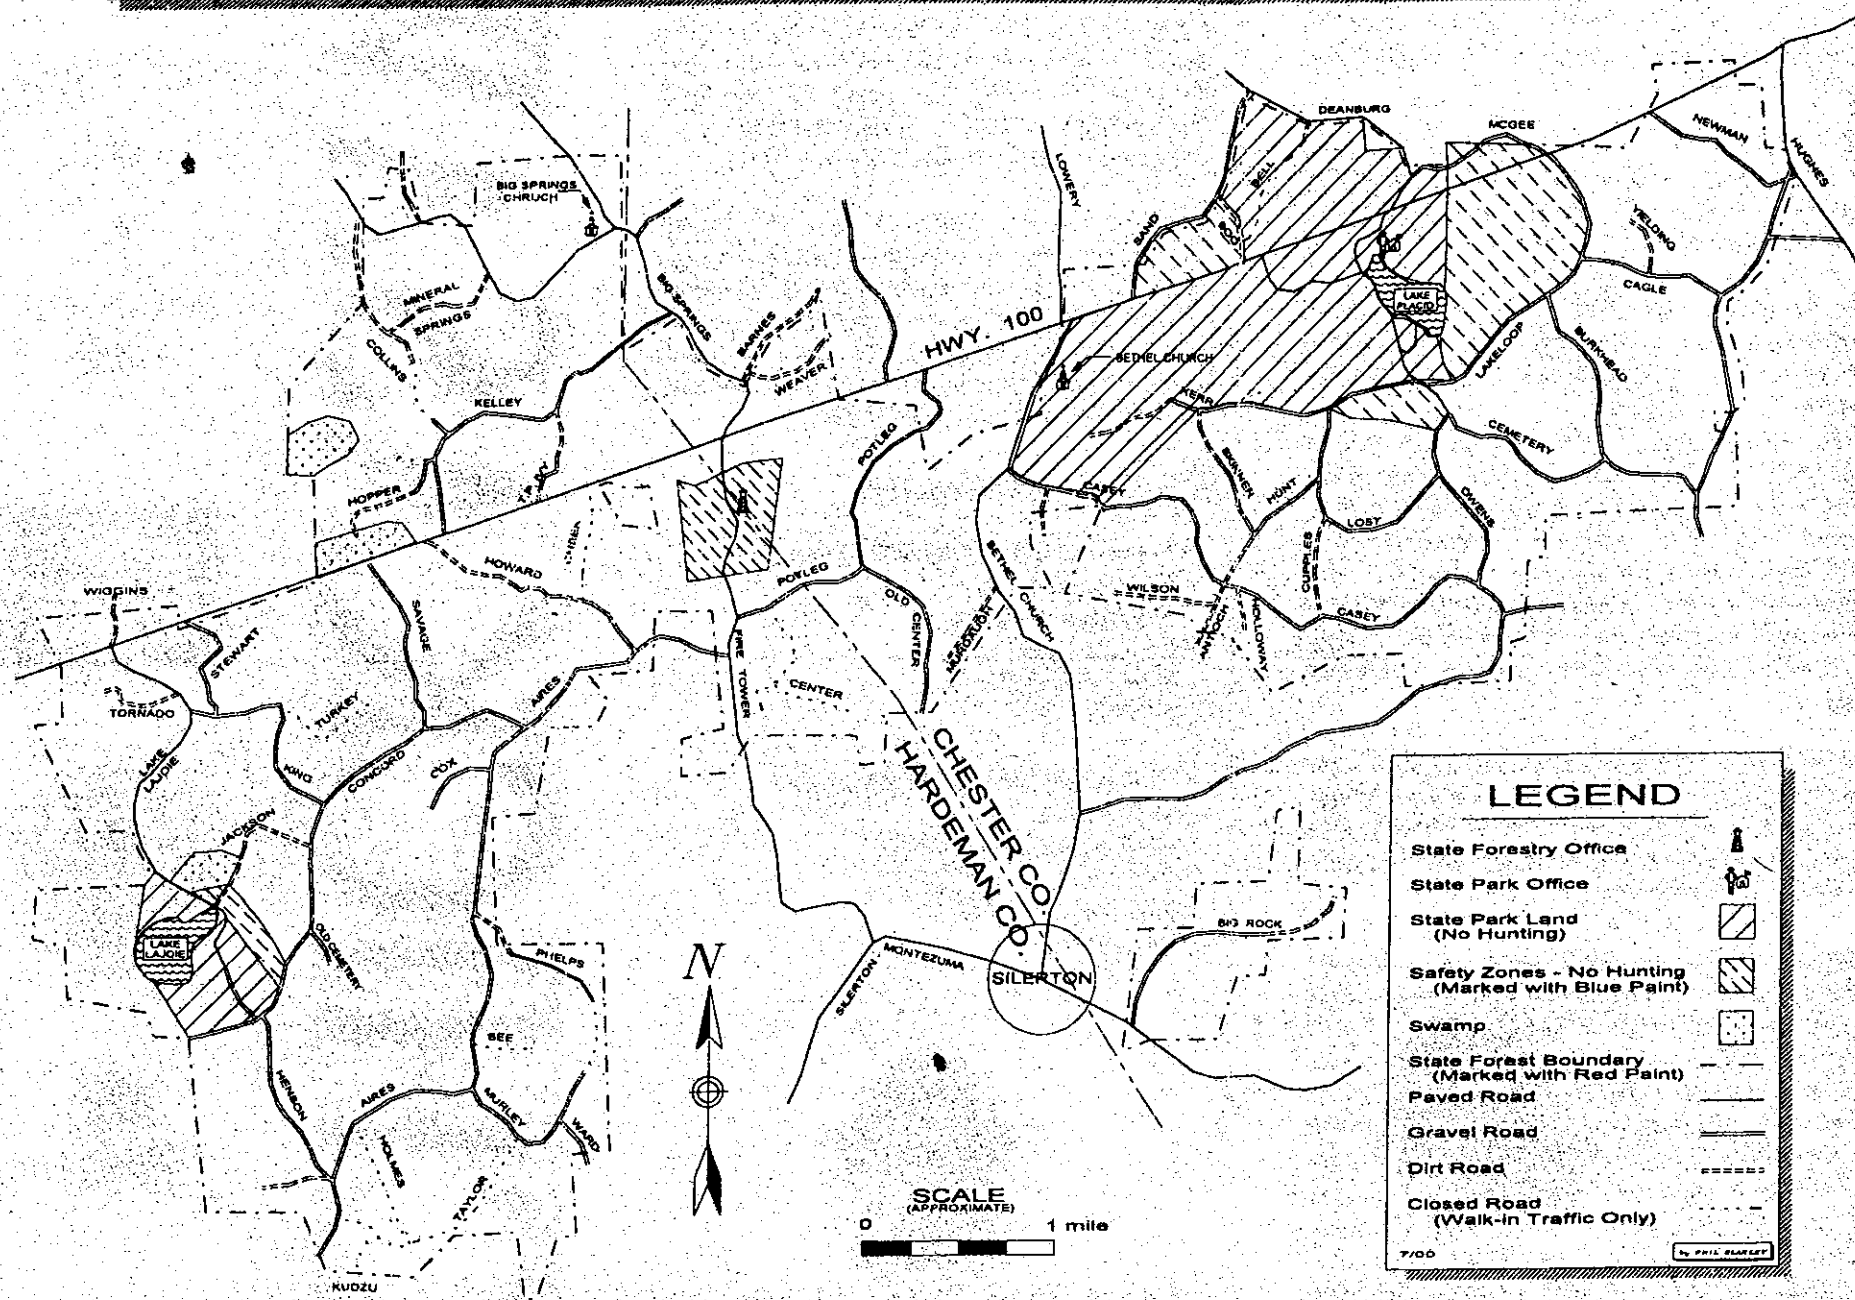

**Hunting:** Chickasaw State Forest is open to hunting. All statewide hunting laws apply. Those areas closed to hunting include safety zones around the State Park and fire tower. Be familiar with the area you are hunting in before you shoot.

**Litter:** Chickasaw State Forest is operated on a carry-in carry-out basis. Please help us to keep your State Forest clean for other visitors.
